Re: Yasmine Investment Corp. v. Jumbo Energy Logistics Limited  
S.D.N.Y. No. 07 Civ. 08492 (DAB)  
Our Ref. 128373-00601 (AQUAMARINE)

Dear Judge Batts:

We represent plaintiff in the above-referenced matter. This is a maritime attachment action brought pursuant to Rule B of the Supplemental Admiralty Rules. Plaintiff seeks to attach funds as security for claims which are subject to arbitration in London.

By Order dated April 25, 2008, this Court placed this matter on the suspense docket. Since that time, plaintiff has attempted to amicably resolve its claim with the defendant. Regrettably, these efforts have been unsuccessful. In the meantime, the vessel charter in respect of which the disputes arise has now concluded and plaintiff's claim has changed due to intervening circumstances.

In view of the foregoing, plaintiff is today filing an Amended Complaint reflecting this revised claim. Additionally, plaintiff respectfully requests that the Court remove the matter from its suspense calendar and that the Court issue plaintiff's proposed Amended Order Directing Clerk to Issue Process of Maritime Attachment and Garnishment.
